The Obligor is required to continue insurance according to the terms of the order even if the name of the insurance provider available changes. If an arrearage is stated the failure to include a calculation of the interest due does not operate as a waiver of interest required by law. If on the termination date of this order there is an unpaid arrearage or delinquency equal to at least one month's support obligation, then the periodic amount required to be paid for current support shall automatically continue to be an obligation, not as current support but as a periodic payment toward satisfaction of the unpaid arrearage or delinquency.
